Laboratory Exercise 2 Rubric

Name: Cristobal, Franz Daniel S.
2025

Date: September 9,

Section: BSIT 1D

Directions:

After you have finished your project, determine how well you have completed each Category. Read the criteria under each column—Excellent, Proficient, Developing, and Beginning. Give yourself a score in the right column based on how well you think you met the criteria. Turn in this paper to your teacher along with your project.

| Areas of Evaluation and Corresponding Score | Excellent (4) | Proficient (3) | Developing (2) | Beginning (1) | Score and Comments |
|---------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| Capitalization and Spelling | Entries are capped, or not (all caps, cap/lowercase, or lowercase only), as instructed. All spelling errors are corrected | Entries are capped, or not as instructed, with one error in capitalization and/or spelling | Entries are capped, or not as instructed, with two errors in capitalization and/or spelling | Entries are capped, or not as instructed, with three or more errors in capitalization and/or spelling | 4 – As far as I know, there is no error with the capitalization and spelling. |
| Fonts | Entries accurately reflect font sizes, name and use of bold as given in the instructions | Entries accurately reflect font sizes, name and use of bold as given in the instructions with one error | Entries accurately reflect font sizes, name and use of bold as given in the instructions with two to three errors | Most entries do not accurately reflect font sizes, name and use of bold as given in the instructions | 4 – the fonts seems accurate with the given instructions. |
